

Added cost, will in time drive the small operators from the small markets. This is the very public that needs this service the most. Automation has keep the local new, weather, agriculture news, and high schools sports. We do all of this for less than 300 thousand a year, please load us up with some more paperwork or cost. Give me an address, I'll send you the keys. I am confident you can hire all these people, provide all the benefits, pay the insurance, buy the gas and equipment, and make those huge profits, I read about.

Thanking you in advance  
Dewayane Gandy
